

WEST FELICIANA EDUCATION FOUNDATION

2020 Grants for Innovative Teaching

The purpose of the West Feliciana Education Foundation is to provide philanthropic support for the West Feliciana Parish School System. The Foundation will provide grants to support educators who have new, creative or beneficial projects designed to engage and excite students in the classroom or to provide training to teachers which enable them to better serve their students.

Each school will receive at least one grant. **Educators may apply for up to \$2000.**

All funds must be expended by August 30, 2021 or they revert to the West Feliciana Education Foundation.

Grants will be reviewed by the West Feliciana Education Foundation grant committee and will be presented to the board of directors for final approval.
